How to Authenticate This Official PDF Transcript From Ashford University

This official PDF transcript has been transmitted electronically to the recipient, and is intended solely for use by that recipient. It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

This official transcript has been digitally signed and therefore contains special characteristics. This document will reveal a digital certificate that has been applied to the transcript, and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or [Adobe® Reader](#). This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by Ashford University, with a valid certificate issued by GlobalSign CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

The blue ribbon symbol is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the transcript office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

Lastly, one other possible message, Author Unknown, can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, reject this document.

The current version of Adobe® Reader is free of charge, and available for immediate download at <http://www.adobe.com>.

If you require further information regarding the authenticity of this transcript, you may email or call the Transcript Office at the Ashford University at transcriptrequest@ashford.edu or 1-866-711-1700.

ACCREDITATION

Ashford University is accredited by WASC Senior College and University Commission, 985 Atlantic Avenue, Suite 100, Alameda, CA 94501, 510.748.9001. Prior to November 2013, Ashford University was accredited by The Higher Learning Commission and a member of the North Central Association of Colleges and Schools. The Iowa Department of Education accredits the Teacher Education programs. Ashford University was formerly known as The Franciscan University (of the Prairies) 12/02 - 3/05 and Mount St. Clare College 1918 - 11/02.

CALENDAR

Ashford University's Clinton Campus courses are offered during two traditional 16-week semesters, one each in the fall and spring. A limited number of course offerings are also available during shorter May term (3 weeks) and summer term (6 weeks) sessions on the Clinton Campus. Ashford University's online course delivery consists of accelerated courses where a three credit course at the undergraduate level is 5 weeks in length, and a three credit graduate level course is 6 weeks in length. There is an annual two-week Winter Break when courses are not scheduled for the accelerated online format.

STANDING

Undergraduate students must maintain a minimum cumulative grade point average (CGPA) of 2.00 to remain in good academic standing. Graduate students must maintain a 3.00 CGPA. All students must also successfully complete 67% of all attempted credits to remain in good standing. Students who do not meet this criteria for Satisfactory Academic Progress at the time of review are placed on academic probation.

CREDIT

Credit is awarded in semester hours. Prior to fall 1993, an "R" designated a course was repeated and the first grade was removed from the transcript. Beginning fall 1993, the original grade remains on the transcript with a designation of "R" beside it. The second grade earned in the course is used in computing the cumulative grade point average. P/F designates Pass/Fail. Credit earned on a pass/fail basis will count toward degree requirements although grade points will not be earned. Institutional credit is awarded for courses numbered below the 100 level but credits earned below the 100 level do not apply to a degree. The grade "WF" (failure to officially withdraw) was discontinued fall 1997. The grade "WF" (Withdrawn Fail) was reinstated in July 2009. The "R" designation was discontinued in the beginning of fall 1998. A repeated course is designated by zero (0) credits and ** shown on transcript for initial enrollment in course. Select courses may be repeated for credit.

TRANSFER CREDIT

Transfer credit applicable to the student's degree program is noted on the transcript. However, between August 2005 and January 2012, total transferrable credit from other institutions was included on the transcript, even though credits may not have been applicable to the student's degree program. Grades are not transferred in, and transfer credit hours are not included in the computations of the institutional grade point average.
